A Place For Kids To Worship

At KidzWorship we strive to build up a strong, gospel-centered foundation for our children that is relevant to their age (K-2). Each week, we will have a structured service that will help children learn about Jesus through music, a message and group time.

Creative Bible Teaching

The Bible is the most amazing book ever written! Each week we will use the messages of the Bible to guide everything we do with children. We want all children to know Jesus and love God's Word.

Age-Appropriate

Our messages and environments are designed in a way to give children a place where they can experience God relevant to their age so they can learn to be followers of Jesus.

A Lot Of Fun!

Kids love fun! We realize when children have fun at church, they can't wait to come back. We value making each KidzWorship experience unforgettable for kids through games, activities, music, live-action skits and messages that are focused and centered on Jesus.

We're Here To Help

If this is your first time at KidzWorship, we are here to help answer any questions. If you need help finding your place, please visit one of the check-in desks on Sunday morning and a volunteer will be there to help you.
